Sir:

On February 7, 2006, the United States Patent and Trademark Office sent a Notice of Non-Compliant Amendment (37 CFR 1.121) with respect to the above-identified application indicating that Applicants had failed to properly identify the drawings. The Notice of Non-Compliant is improper and erroneous since the Preliminary Amendment filed on January 18, 2006 did not request any drawing amendments (a copy of the Preliminary Amendment is enclosed for the convenience of the Examiner). Since the Notice of Non-Compliant is improper and erroneous, it is respectfully requested that the above Notice be withdrawn.

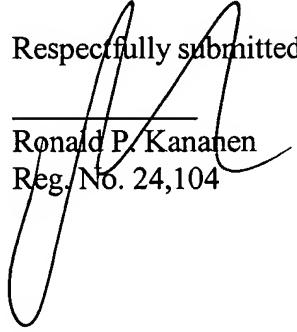

In view of the foregoing, Applicant requests that the Notice of Non-Compliant be withdrawn.

No fees are believed to be required. The Commissioner is also authorized to charge any additional fees associated with this communication to Deposit Account No. 18-0013. A duplicate copy of this letter is enclosed for that purpose.
